

# Are you ready to become an **EXTRAORDINARY** people-centered leader?

## EXTRAORDINARY RESULTS™ EXECUTIVE COACHING PROGRAM

### Create lasting impact and lead with distinction

You're a high-performing, people-centered executive who wants greater influence and to deliver amazing results. You value being authentic and agile in your leadership style. You inspire others to excel and unleash their potential.

The Extraordinary Results™ Executive Coaching Program is what you've been looking for. The program begins with the True to Your Core™ experience to gain fast self-awareness and complement it with useful feedback.

Through individual coaching, self-understanding activities, and action learning, you build on your strengths, address your challenges, and expand your most authentic path as a leader.

Investing in yourself through this program, you'll gain:

- Clarity and focus to achieve what you want now (and in the future)
- Access to the core, inner resources that make you most successful
- Useful, actionable insights with practical applications
- Expanded ability to be the best people-centered leader you can be
- A tangible roadmap for creating immediate results and continuous impact

Let's talk about how the Extraordinary Results™ Executive Coaching Program can make a difference for you.

### Personalized Programs Include:

- Goal setting and planning meeting to shape and customize the coaching plan
- The True to your Core™ six-hour intensive coaching experience to get useful insight fast
- Six months of focused coaching meeting
- 360-degree feedback plus behavioral and emotional intelligence insights (optional)
- Focused coaching meetings to expand your thinking and fine-tune your performance
- Results Roadmap™ to overcome obstacles and create sustainable change
- Strategic Learning Contract™ for professional and personal development
